TO THE RESCUE →

If you're looking for an urban oasis in the middle of Philadelphia, head to **Rescue Rittenhouse Spa Lounge**. Its calm atmosphere is perfect for the harried traveler, and the spa offers services through their specialized "Zoom Groom" treatments, which give guests on a tight schedule the benefits of a spa experience while keeping the time in mind.

Among Rescue Rittenhouse's speedy but soothing treatments is the Multi Action Zoom, a complete facial with eye treatment, on the spot manicure, and pedicure, all done in an hour and a half. The MDskincare Alpha Beta Peel is done in half an hour, and the Rush Hour Trio takes care of your face, fingers, and toes in just

one hour. The Zoom Groom Express facial clocks in at 30 minutes, or you can go for the Four Handed Rescue Massage, which will knead out those kinks in 60 minutes.

Even though the spa offers time-saving treatments, you'll never feel rushed in Rescue Rittenhouse's Zen-like setting. If you have the time to indulge, try the Classic Rescue Facial or the Jet Lag Rescue massage. And if you don't have time to visit the lounge, members of the spa's "Rescue Squad" can come to where you're staying for the ultimate massage experience.

Rescue Rittenhouse is located at 255 South 17th St. (mezzanine). For reservations and a complete spa menu, go to rescuerittenhousespa.com or call 215.772.2766 for more. ➔
